INSTRUCTIONS FOR PLAN REVIEW APPLICATION UNDER ANNUAL BUILDING PERMIT (OSH-FD-310)

Do not write in areas designated for "Office Use Only."

A Enter name as it appears on the facility license. Enter street address, phone and fax number, city, county, and zip code (five or nine digit zip code as applicable).

Title of project – enter a brief (45 keystrokes or less) descriptive statement of the work to be performed. Applicants job number – if the facility or architect has a numbering system for projects, enter that project number.

- B Description of Project describe the work to be performed. Where appropriate include square footage and quantities. Enter total licensed bed count before construction and after construction. Check the type of Facility as licensed.
- C Provide the name of the architect, engineer or individual in responsible charge of the project, registration number, address, city, state, zip code, phone number and FAX number.

D.E.F

Enter the contractor information if the contractor is known at the time of application. If not known at this time, the information must be provided to OSHPD once the contractor is selected. A separate copy of the application or a copy of the approved application, with Sections C, D, and F completed is sufficient. If Sections D, E, or F of the Annual Building Permit/Application (OSH-FD-306) have previously been filed with OSHPD, Sections E and F of this application need not be completed. Section D, however, must be completed if a contractor is involved.

G The annual building permit fee is \$250.00. This fee covers \$25,000.00 of estimated construction cost. Calculation of additional fees:

Skilled Nursing Facilities: If the cost of the project or projects constructed under your annual building permit exceeds \$25,000.00, you will be assessed an additional fee of 1.5% of the cost over \$25,000.00.

Acute Care Hospitals: If the cost of the project or projects constructed under your annual building permit exceeds \$25,000.00, you will be assessed an additional fee of 1.64% of the cost over \$25,000.00.

Estimated Cost - enter estimated construction cost of project including fixed equipment. Exclude all design fees, inspection fees, and off-site work.
